LETTERS TO KATY...

DEAR KATY:

I have a problem. I spend money too fast and don't know what to do about it. Any suggestions?

LOVE, MYRA

DEAR MYRA:

Unfortunately, money doesn't buy happiness, although sometimes we would like to think it does. Put yourself on a strict budget and plan how much you will spend every day. Don't carry any more money in your wallet than you can afford to spend.

LOVE, KATY

DEAR KATY:

I'm almost 13 years old. I want to be a model, I am 5'4" and 112 lbs. Do you think I should wait? Mentally, I really am ready for modeling.

SINCERELY, JENNIFER

DEAR JENNIFER:

You have to have a heart-to-heart talk with your parents to see what is best for you. If they agree, have them take you around to some modeling agencies in your area to see if you have the right "look". You are the right age and size for a teen model, but you're too short and too young right now to model high fashion women's wear. Some fashion models start as early as age 16, but the average age is 18-23. In most cases a model should be at least 5'7" or taller, quite slim with well-proportioned features. I am quite sure you will grow, and you will certainly get older. Good luck.

LOVE, KATY

DEAR KATY:

I'm only 10 years old and I like boys. Is this normal or should I wait until I get older?

WONDERING

DEAR WONDERING:

It is normal for boys and girls to like each other and enjoy each other's company at any age, but serious dating should wait until High School

LOVE, KATY

DEAR KATY:

Hi! I have a girl problem. I am all talk and no action. Whenever I have a girlfriend and she wants to kiss me I get really embarrassed. I'm 13 years old and shouldn't feel that way. Any suggestions?

BRANDON

DEAR BRANDON:

Relax! It is perfectly normal to feel embarrassed. I much prefer a guy who's a little awkward and shy than a fellow who's an arrogant know-it-all. Take your time and try holding hands until you gain your self-confidence.

LOVE, KATY

P.S.—Here's a secret. We girls are just as nervous as you guys.

DEAR KATY:

Hi! I'm always collecting your Comics. Here's my problem. My brothers are always teasing me, I tell my parents, but they never do anything. I really admire you. When I grow up I will try to be like you so I won't get teased.

SINCERELY, TEASED

DEAR TEASED:

Hold you head high and ignore your silly brothers. The more excited you get the more they will tease you. Then, in a quiet moment, tell them firmly that their teasing is very destructive because it hurts you and makes them look childish and foolish. I used to get called "stringbean" when I was younger because I was too tall and skinny, but I ignored them and look where I am today!

LOVE, KATY

DEAR KATY:

I'm 11 years old and I enjoy reading about you and Sis. Your issue on modeling was terrific! Whenever I am in school, I'm too shy to enter any conversations. I always say something foolish. How can I make more interesting conversation?

THERESA

DEAR THERESA:

If you read newspapers and magazines you will have plenty of interesting things to talk about. Did you know that to be a conversationalist you have to be a good listener? Show other people that you are genuinely interested in them by getting them to talk about themselves. Ask them questions about their lives, their interests. The most popular people are those who do the most to help others. Try getting involved with clubs and after school activities such as Girl Scouts or hospital or senior citizen volunteers.

In no time I am sure you'll make plenty of wonderful new friends!

LOVE, KATY

DEAR KATY:

My bangs don't look good. What should I do? I ask you because you always have beautiful hair.

YOURS TRULY, SORROWFUL FOREHEAD

DEAR SORROWFUL:

Wash and condition your hair every day and get a good haircut. Maybe bangs aren't for you. Try pinning them away from your face with a pretty barrette.

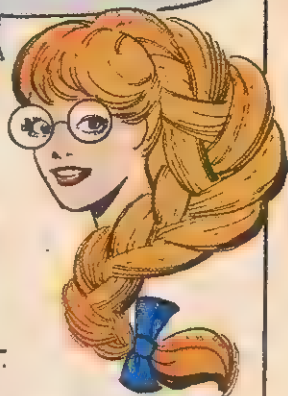

LOVE, KATY

* hints from Sis-

TRY MAKING THIS DELICIOUS CANDY!
IT'S GOOD FOR YOU, TOO!

* SUNFLOWER SEED BRITTLE - BETTER THAN PEANUT BRITTLE!

- 1 CUP SUNFLOWER SEEDS, WITHOUT THE SHELL, UNSALTED (IF THE SUPERMARKET DOESN'T HAVE THEM, TRY A HEALTH FOOD STORE) OR 1 CUP OF PUMPKIN SEEDS (HULLED).
- 1/4 CUP HONEY • 1/3 CUP OF BUTTER
- SLIGHTLY BROWN SEEDS OVER MEDIUM HEAT IN A HEAVY SKILLET.
- STIR THEM WHILE THEY'RE COOKING SO THEY DON'T BURN.
- POUR THE SEEDS INTO A BOWL. • IN THE SAME PAN MELT THE BUTTER AND STIR IN THE HONEY. • COOK OVER MEDIUM HEAT FOR 3 MINUTES.
- ADD THE SEEDS AND COOK FOR 2-4 MINUTES MORE UNTIL THE ENTIRE MIXTURE IS GOLDEN BROWN, STIRRING WITH A WOODEN SPOON • REMOVE FROM HEAT • WHILE THE MIXTURE IS STILL HOT, SPREAD IT ON A PIECE OF BUTTERED WAX PAPER. • CUT IT INTO SQUARES WITH A BUTTERED KNIFE, OR WAIT UNTIL COOL AND BREAK INTO PIECES!

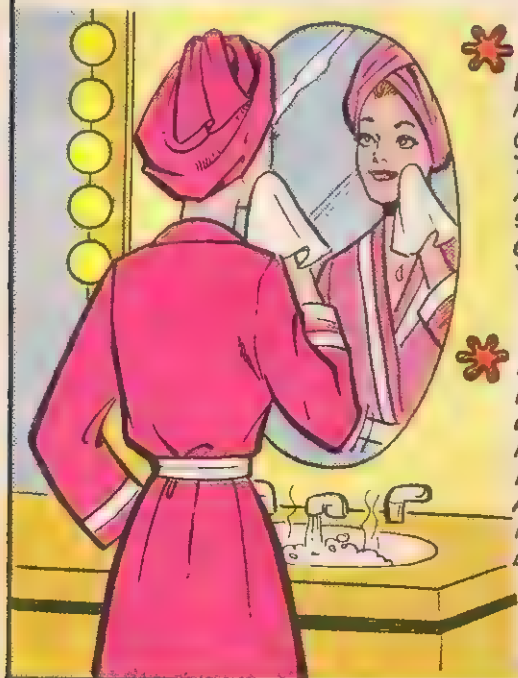

* HEY GANG! IF YOU WEAR GLASSES LIKE ME, THE BEST WAY TO CLEAN THEM IS WITH A DROP OF VINEGAR ON EACH LENS!

* TO REMOVE A BANDAID WITHOUT THE OUCH, SATURATE A COTTON BALL WITH BABY OIL AND RUB IT OVER THE BANDAID. THE BANDAID WILL SLIP RIGHT OFF WITHOUT HURTING YOUR SKIN!

* TRY THIS IF YOU GET BLEMISHES: AFTER YOU WASH YOUR FACE AND IT'S NICE AND CLEAN, PUT SOME APPLE CIDER VINEGAR INTO A BASIN OF WARM WATER AND SPLASH YOUR FACE THOROUGHLY. LET IT DRY WITHOUT USING A TOWEL. OR KEEP THE SOLUTION IN A SPRAY BOTTLE AND SPRAY IT ON YOUR FACE (CLOSE YOUR EYES. '). THIS RESTORES YOUR SKIN'S NATURAL ACID BALANCE.

* HERE'S ANOTHER BEAUTY HINT: IT'S PERFECTLY OKAY TO WASH YOUR HAIR EVERY DAY. EXPERTS SAY DRY HAIR NEEDS WATER DAILY AND OILY HAIR WILL NOT BECOME WORSE IF YOU WASH IT A LOT. SO TREAT YOUR HAIR LIKE YOUR FACE! WASH BOTH EVERY DAY! THEY BOTH GET EXPOSED TO THE SAME DIRT!
